

Larry Packer - Eye Of The Sun

Long awaited solo CD of Celtic rock and folk from the violin master, Larry Packer.

DESCRIPTION

Woodstock Records is proud to release Larry Packer's long awaited solo CD "Eye of the Sun" featuring the talents of Steve Burgh, Gary Burke, Mike DeAngelis, Ed Diehl, Mike Dunn, Professor Louie, Jim Curtain, Tom "Bones" Malone, Scott Petito, Miss Marie Spinosa and Rob Turner. "Eye of the Sun" is nine great tracks of sweet lush melodies. Larry paints landscapes with his violin that make your heart soar and foot tap. This CD is a unique blend of Celtic folk/rock as well as Jazz standards including a beautiful version of Stephan Grappellis "Nuages" and wonderful versions of "Danny Boy" & "Georgia." The song "Fields Of Rhythm" was written by well respected Irish musician Jerry O'Conner (Four Men and a Dog). The CD ends with an original tune "Hold On" written by Larry & Miss Marie. Fiddler extraordinaire Larry Packer has rosined up his bow for Lou Reed, Hall & Oates, Phoebe Snow, Harry Belafonte, David Bromberg, Maria Muldaur and others.
