

# Welcome To Amish America

*As seen on PBS, up close and personal.  
Visit Amish homes and historic re-creations  
plus on-camera interviews.*

The first movie to feature the old order Amish of Amish America. Seen on PBS Stations, now available in Dolby surround Sound Produced by John E Swanson, JES Films Today the Amish are in 25 States from Maryland to Montana., from Canada to Texas. In a time of violence in urban America it is remarkably peaceful in the middle of Amish America. The Amish are doubling in Population every 20 years and many outsiders are now joining. This presentation is up close and personal. You will visit Amish homes and historic re-creations of Amish homes and see things that you have never seen before. Of special interest is a home in Berne, indiana where an Amish woman shows how she does laundry using "horsepower" and bakes for her family in a wood burning stove. Other highlights include exclusive on-camera interviews with several Amish.
