The Only Law Is Survival

At the height of the the death metal boom there was not much that could top the selling power and fan loyalty of **Cannibal Corpse** and **Malevolent Creation**. Both were and are today still considered top runners of the extreme music game. **Formed in 1994 by Phil Fasciana of Malevolent Creation and Rob Barrett of Cannibal Corpse**. The debut Everybody Dies was released in 1998 to high acclaim. It has been followed by the now equally successful 2nd album The Only Law is Survival.
