

Dirty Sweet - American Spiritual

Sophomore release from San Diego's barnburning rock outfit

DESCRIPTION

Fresh off taking "Best Rock" honors at the San Diego Music Awards for the second straight year, So-Cal's biggest buzz-band Dirty Sweet is poised for greatness. Their 2007 debut record, *Of Monarchs and Beggars*, had U.K.'s NME Magazine warning, "(they) are getting ready to go Mega with their skuzzy, ass-shaking rawk'n'roll." Music lovers worldwide agreed. For two years, fans in the U.K. and the rest of Europe have welcomed the Dirty Sweet storm with packed houses. Long before that, they were kicking down doors in major cities all over the U.S. After five years of pounding rock and roll pavement, including performances at Bonnaroo and Lollapalooza, Dirty Sweet has answered the call with a sonic insurgence of their own, *American Spiritual*. Their forthcoming album, *Spiritual* is a revolutionary barn burner that melts the mold of genre-fied rock music.

TRACK LISTING / FEATURES

- American Spiritual

PRESS :

"It's like the 70s all over again! The first time we heard these San Diego rockers we felt like we'd been transported back in time to the sweet soaring melodies and blues-rock riffs that dominated the late 60s and 70s. Dirty Sweet could easily be around back then, with their T.Rex meets The Band stylings, but their youth betrays their incredibly vintage sound. Guitarist/singer Nathan Beale dryly refers to it as 'dirty fuckin' sweet.' It's all about big hooks, kick ass guitar and grooves that will shake your booty. Anyone who come to a Dirty Sweet show is gonna leave soaking wet, exhausted and still wanting to play their music on the way home. It's time to get Dirty..."

—*Total Guitar Magaziune (UK)*

"This spring, San Diego-based rock band Dirty Sweet released its debut CD, ... *Of Monarchs and Beggars*, but this five-piece of hard rockers is anything but a new band. Formed in 2003, Dirty Sweet has toured with heavy hitters Jimmy Eat World and the Killer"
