

Pocket Featuring Dave Smalley - Beautiful Gray

Fourth EP features Dave Smalley of Dag Nasty/ALL/Down By Law in a Ministry vs Postal Service collab & remix by Styrofoam

DESCRIPTION

Something different this time: 2 separate singles, each acting as the others B-Side! Craig Wedren (Shudder To Think) and Dave Smalley (Dag Nasty, ALL, Down By Law) both have connections to DC's hardcore scene & Dischord Records so it seemed perfect to release them together! Pocket & Smalley get aggo-electo ala Al Jorgensen's Pailhead with Minor Threat's Ian Mackaye. POKET, aka Richard Jankovich, fronted electro pop group Burnside Project whose "Cue The Pulse To Begin" was the title theme of Showtime's Queer As Folk. He has remixed Radiohead, Beck, Joanna Newsom, Of Montreal, Kristen Hersh, Antony & The Johnsons, Asher Roth and many more. POKET's latest project is a series of singles with A-Sides featuring a "Dream List" of legendary vocalists to collaborate with. These songs are paired with B-Sides where he introduces breaking artists. Each release also features three remixes by producers from across the spectrum of electronic music, such as Styrofoam, Justus Köhncke & GD Luxxe.
