

Buckethead

Young Buckethead Vol. 2

This DVD starts with the **Deli Creeps'** complete 4/3/91 concert at the **Kennel Club in San Francisco**. The lineup is **Maximum Bob, Pinch Face, Tony Black, and Buckethead**, who delivers a spectacular performance with the camera just a few feet away.

The next segment captures **the band's legendary San Francisco debut, at the I-Beam on 9/1/90**, with **Buck, Maximum Bob, Pinch Face, and bassist Saucy Patches** pull out all the stops. Seldom has Buckethead, who plays shirtless, been so animated in his playing. The set includes "Dream Girl" and "Hog Bitch Stomp." Next up is a **hysterical backstage sequence later that night**.

In "Buckethead in the Park," **the masked speaks -- about growing up in a chicken coop, his heroes and inspirations, favorite methods of mayhem, and even does the Jowls speech**. Honest.
