

Fear Of Fiction

A supernatural tale in which nothing is invented.

DESCRIPTION

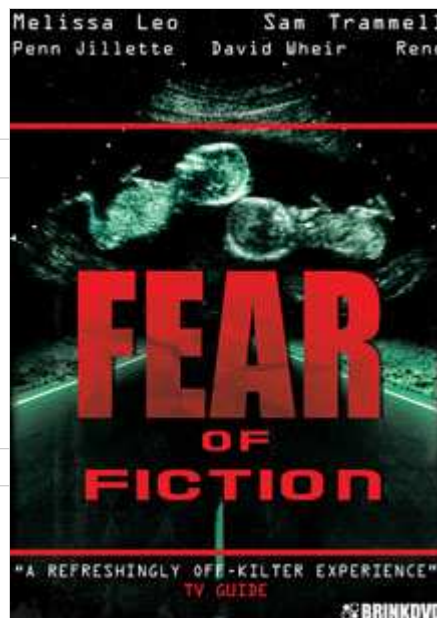

Sigrid Anderssen (Oscar Nominee Melissa Leo) is a hot young novelist who has a bad case of writer's block. To clear her mind she answers an ad in the newspaper placed by Red (True Blood's Sam Trammell), a man who is driving cross-country and needs a partner. Along the way, they pick up Red's identical twin brother Tom and three embark on a surreal journey, providing a new outlook on life for Sigrid and more writing material than she ever bargained for. Hear 60's garage music played by the mythic band "The Fabulous Failures" (Lee Ranaldo of Sonic Youth and Evan Lurie of the Lounge Lizards) lends a creepy narration to this tale of forgotten phantoms.
