

BIG AUDIO DYNAMITE

LIVE: E = MC2

This is the first ever **Big Audio Dynamite DVD!** Shot in 1990 at London, England's world famous Town and Country Club, this DVD features a sell-out concert by B.A.D.II. **Mick Jones** and his posse pull out all the stops with a truly mesmerising performance.

Jones and Joe Strummer fell out over some major artistic differences in '82 and the result was the demise of **THE CLASH**, one of Britain's truly legendary punk-rock bands. Then in '84, B.A.D.II. assembled to brilliantly combine rock, reggae, hip-hop, beatbox rhythms and hi-tech samples, setting a new standard in music production values. **Witness it LIVE here!**
