Frankie Laine

That Old Lucky Sun

This DVD features a full Frankie Laine concert from a 1976 tour of the UK, and includes the hit songs **That Old Lucky Sun**, **Jezebel**, **Jealousy**, and more. Laine, who sadly passed away in February 2007, was one of the great singers and showmen of the last sixty years. As one of the most popular vocalists of the 1950s, he performed swinging jazz standards as well as several Western movie themes with his manly baritone. He charted more than 70 records, 21 of which went gold, and sold more than 250 million discs worldwide. This program serves as a perfect example of the beautiful music he brought into this world.
