

BLACKALICIOUS

4/20 LIVE IN SEATTLE

On 4/20/06, Blackalicious and around 1200 fiends from the Pacific Northwest piled into Seattle's heralded Showbox Theater to capture some boombastic moments in time. On their first ever DVD, **Gift of Gab** and **Chief Xcel** alongside their incomparable supporting cast, delivered a legendary performance sure to rank high in the annals of Hip Hop. Joining them as a part of this 45-day tour was **Lateef**, **Pigeon John**, **LifeSavas**, and **Fat Lip of the Pharcyde**. The energy that was in that smoke-filled room that night in Seattle was mind-blowing, and the way it translates on this DVD from the **HDV shoot** and **superb pro-audio mix** is sure to satisfy.
