

## Bring That Shit/Dios Mio - Split

*Fast and furious oldschool hardcore from the COLD West!*

### DESCRIPTION

From the still burning fires of In Defence and Pandemonium, and the dwellers of the Minnesota lowlands, we have a very new band, Bring That Shit. This is some fast and raw shout-a-long hardcore throwback to the old days! With solid breaks and talking/screaming female vocals! This will get the circle-pit moving, and give you just enough time to dive off the stage! Fast, high energy, and blasting beats that start low and crusade into blasting circle-pit breaks, toss some anger into the mix in and bring that shit! Dios Mio is total party thrashcore, these dudes love beer, swimming, and thrash - that will leave you crushed! Fresh off a EP on Tank Crimes, Dios Mio is here to swim in your parents pool and rage! A little hint of thrash crossover, combined with punkrock, and even some surf thrash breaks to keep things interesting! Party, drink, shred!
