

Brody's Militia/Black Market Fetus - Split

Total punk thrash 'n roll from true rockers!

DESCRIPTION

Two seriously brutal and pulverizing bands come together on one 7" to rip it through! Black Market Fetus is fresh off titles with Six Weeks and our own Give Praise! It is totally crushing Grinding crossover! Pushing the boundaries of Metal... but still keeping the Grind pressure! Sometimes a little on the lines of Municipal Waste, but tying in much more brutality and totally have their own style of crossover grind! Black Market Fetus is also right up there pushing the level with fresh titles off of Sound Pollution and Haunted Hotel. Totally raw and brutal thrashcore, with some smooth rock 'n roll solos! Beating and a guitar tone that will toast your eyes and rip right through you... reminiscent of bands like Crass, pissed and brutal thrash 'n roll! To top this off you get covers from Sore Throat and Napalm Death.
