SUMMARY

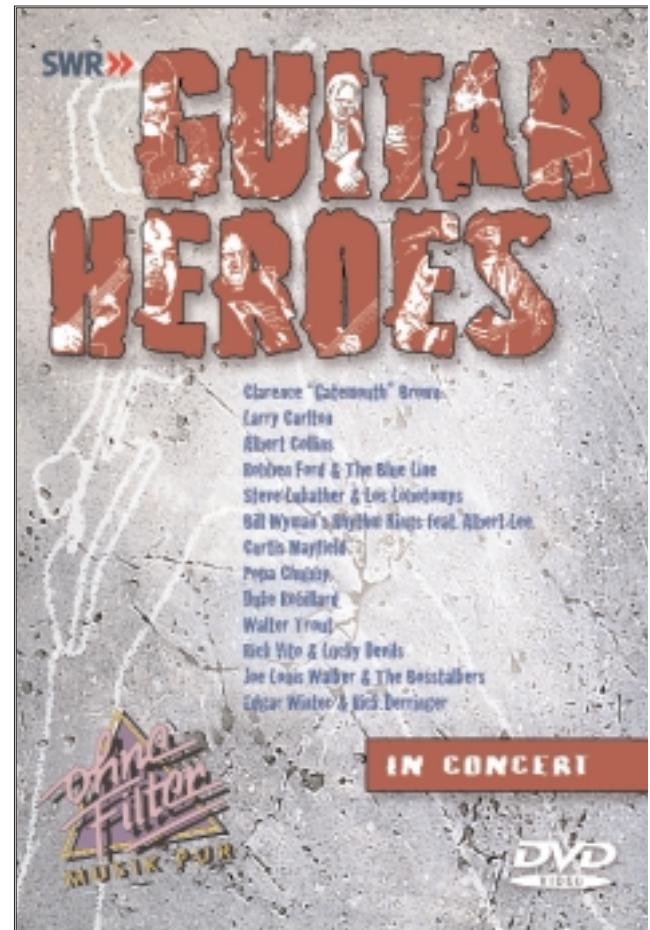

The guitar is the uncrowned king of rock n roll instruments, and it sets the tone in other related musical genres as well.

A good number of Guitar Heroes have showcased in Baden-Baden at the "Ohne Filter" Studios in the past years - these guitar heroes dazzle you with their virtuoso finger-work, sheer power, and infectious emotion.

This DVD features **Robben Ford, Duke Robillard, Edgar Winter / Rick Derringer, Steve Lukather, Larry Carlton, Albert Lee, Popa Chubby, Curtis Mayfield, Clarence "Gatemouth" Brown**, and more!
