# Shelter

## Beyond Planet Earth

---

Shelter is best known for its founder and frontman, Ray Cappo, who is considered as **one of the most prominent representatives of the 'krishnacore' scene**, which mixes the elements of hardcore with a strong spiritual message based on Krishna Consciousness. Formed in the early '90s, Shelter was Cappo's second band - previously he was the frontman of Youth of Today. "Beyond Planet Earth" continues the band's tradition in spirituality and musical progress. **This digitally remastered reissue includes 3 bonus tracks: 2 audio & 1 video and in a numbered limited edition of 2000.**
