

Blessed Death

Destined For Extinction

This is **the first time on CD** for Blessed Death's second album "Destined for Extinction," a lost thrash classic. The release was **a testimony of the band's supreme thrash abilities** - fast riffs, angry drums and piercing vocals of Larry Portelli, whose insane screams and melodic singing blended into a truly hypnotizing combination. Roadrunner Records released their second album, "Destined For Extinction." **Digitally remastered in a numbered limited edition of 2000.**
