## Product Of Imagination (Remastered)

Kinetic Dissent formed in 1987 in Atlanta. "I Will Fight No More Forever" is **their debut release from 1991, originally on Roadracer Records**. Today it seems really awkward that this record has been so overlooked. Introducing **nine prog-metal masterpieces**, the album featured **a surprisingly wide range of compositional varieties**, stretching out from slow, dissonant and almost Voivod-like sections, to mid-paced and melodic tunes and fast, thrash-oriented pieces. **This reissue is digitally remastered and comes as a limited digipack numbered edition of 2000.**
