

# RICK WAKEMAN

## Rick Wakeman

### Tribute

Tribute is just that, **an affectionate tribute to the greatest rock band of all time, The Beatles. Originally recorded and released in 1997.** The project grew from a commission from a private company that wanted Rick to record Eleanor Rigby alongside other Beatles classics. A popular album with not only the regular Rick Wakeman fan base, but also many people who would ordinarily not purchase Rick Wakeman albums.
