Into The Night

Satellite, one of the best progressive rock bands in the world, returns with more beautiful and inspiring music! The new album entitled "Into The Night" is the final chapter of the trilogy started in 2003 by "A Street Between Sunrise And Sunset" and followed by "Evening Games" in 2005. The album features 7 atmospheric compositions, full of space and beautiful arrangements, creating subtle yet powerful sounds. "Into The Night" will be released by Metal Mind Productions on the 19th November 2007 in Europe and on the 22nd January 2008 in the USA (via MVD) in two versions: as a standard CD and as a digipak CD edition including additional bonus tracks.
