

Pallas: Moment To Moment

Spectacular performance filmed at the atmospheric venue of Wyspiański Theater in Katowice, Poland in late October 2007.

A brand new DVD release of the legendary Pallas! The Scottish neo prog outfit is one of the very first bands of the neo progressive movement of the early eighties. It's an energetic and magnificent band somewhat reminiscent of IQ/Marillion but with more edge. Their music is based on melodic hooks, loud sound and great voice. DVD offers a real treat for the fans of sublime soundscapes: beautiful and dynamic songs, fluctuating between dreamy melancholy, monumental sadness, and bursting energy. A great spectacle, beautifully adorned with wonderful lighting and intriguing visuals, filmed at the atmospheric venue of Wyspiański Theater in Katowice, Poland in late October 2007.
