

Night Of The Pumpkin

Bill Zebub's epic Halloween-themed slasher with all the elements you've come to know, and some you'd never expect.

DESCRIPTION

On Mischief Night a pumpkin man stalks party-goers, but this movie is not the typical monster/slasher cliché... No. Director "Bill Zebub" introduced the true indie spirit to this traditional Halloween-themed story. It has the visceral elements that you expect - gratuitous nudity, gore, and a campy flavor, but everything else breaks away from what you know.
