

ECHO & THE BUNNYMEN
DANCING HORSES

Echo & The Bunnymen Dancing Horses

This performance was **filmed & recorded at The Shepherds Bush Empire (UK) in 2005**. It includes an **incredible 20-song set** as well as an **exclusive interview with Ian McCulloch & Will Sergeant**.

Echo & the Bunnymen's melancholy post-punk and psychedelic rock brought the group a slew of hits in the UK circa early '80s. In the US, the band attracted **a significant cult following** after their self-titled release in 1987. Through the past 25+ years, the band has undergone a number of lineup changes, breakups, and reformations, but in 2007 they re-signed to their original record label. **This DVD is outstanding proof of their song writing ability, musicianship, and stage presence.**
