

# PARADISE

**She wanted to create Paradise. All he wanted was to reach Paradise.**

Set in a rural fishing village in southern Japan, this is the story of Erika, a celebrated former anchorwoman now back in her hometown campaigning for a seat in the national party, and Yohei, an insecure fisherman-in-training. The two are worlds apart... Yet when they are both stranded on a seemingly uninhabited island, panic, hunger for food, and carnal urges all mix, forcing them into a struggle for power each had never experienced.
