

Sid Vicious - Sid! By Those Who Really Knew Him

New, intimate, 80 minute documentary on ultimate punk, Sid Vicious. Plus 10 track live audio CD, booklet and more!

DESCRIPTION

The first, intimate full-length 80 minute documentary on Sid's life to mark 30 years since his death, when he was just 21 years old from a heroin overdose. Many of those closest to Sid speak for the very first time about the only true punk icon - who burnt out, but never sold out. This brand new documentary in association with ITN Archive, to be shown theatrically in London, to coincide with the 30th anniversary of Sid Vicious' death. Sid's short and controversial life with The Sex Pistols and Nancy Spungen is profiled with new interviews from Jah Wobble, Steve Severin, Vivien Westwood, Malcolm McClaren, Dave Vanian, Rat Scabies, Marco Pironi, Viv Albertine, and many others who actually knew Sid. This special collector's pack features the DVD documentary, plus a 10 track audio CD of Sid live in New York (with Arthur Kane and Jerry Nolan), and a booklet profile by best-selling music author Mark Paytress.
