

COLOSSEUM

The Complete Reunion Concert Cologne 1994

In spite of Jon Hiseman's reluctance to reform Colosseum, in the early nineties the spate of band reissues generated new interest in the band. Whilst on tour in Germany, Hiseman was encouraged to rethink, & a debut reunion concert was arranged at the Freiburg Zelt-Musik-Festival in June 1994. Original band members Chris Farlowe (vocals), Dick Heckstall-Smith (saxes), Clem Clempson (guitars), Dave Greenslade (keyboards) were joined by Mark Clarke (vocals). This DVD features the entire second concert of that first reunion after some 23 years, & as a bonus there is a 90-minute 'Story Of' documentary. Complete running time of over 3 hours.
