Stackridge The Forbidden City

Stackridge performed to a sold out audience in Bath, England during April 2007 as part of their commitment to touring the UK during this year. Angel Air were there to film this historic gig, which was memorable for them playing all their popular songs. This performance also heralded **the return to live performances of Mutter Slater**, who had always in the past commanded audience attention and participation. The fans were not disappointed! **Featuring Andy Davis, Mutter Slater, Crun Walter, James Warren, Glenn Tommey, Nigel Newton, Rachel Hall, Sarah Mitchell, and Andy Marsden.** Classic English popular music at its finest!
