

Miller Anderson

Bluesheart

Bluesheart, originally released in 2003, is Miller Anderson's third solo album in a musical career that spans almost forty years. From The Keef Hartley Band through Mountain, Savoy Brown, T Rex, The Spencer Davies Group and many more. Featuring five new Miller Anderson songs that show what a great writer he is as well as being an accomplished singer and guitarist. These fine blues songs sit well alongside a powerful rendition of the classic 'House of the Rising Sun', an equally impressive 'Smokestack Lightnin' that segues nicely into 'Wang Dang Doodle'
