AN INDEPENDENT CRITICAL ANALYSIS

## Van Morrison Under Review: 1964-1974

Van Morrison - Under Review 1964-1974 is a 2 hour documentary film which covers this extraordinary musician and performer's music during that period. From the formation of Them, through Van's classic solo period - taking in albums such as Astral Weeks, Moondance, St. Dominic's Preview, Tupelo Honey, Veedon Fleece and It's Too Late To Stop Now - this was a time of quite startling creativity in a musical career that has rarely failed to delight fans and critics alike. This program looks again at these records, and the man who made them, and in doing so provides the most enlightening, revealing and entertaining Van Morrison documentary yet to emerge. Features include rare and classic Van Morrison performances re-assessed by a panel of esteemed experts, rare interviews, seldom seen footage, and unusual photographs from the period. Also included is footage of and comment on Morrison's most notable musical influences, as well as live and studio recordings of Van Morrison classics.
