

Family Secrets

It's Phil's 21st birthday but this year everyone gets a surprise!

DESCRIPTION

Robert and Alice Bunton are worried that their son Phil might be gay! With Phil's twenty-first birthday fast approaching they hatch a plan to "ungay" their son. When Alice suggests they hire a hooker to straighten Phil out, Mr. Bunton is only too happy to take on the task. In a bizarre search through seedy hotels and local weeklies he finds Minx, a sweet comely young lady caught in the trap of life. Trying to satisfy her insatiable pimp and staying one step ahead of a small-town Dick hot on her tail, Minx happily accepts the opportunity, even with Robert Bunton's self-serving proviso: "This includes full access, anytime, anywhere, for Phillip... and his old man!" Moving in under the guise of a "party planner" Minx is indoctrinated into the Bunton way of life. The first problem? Phil's not gay, he's in love with Lisa, his best friend's girl. In fact he's so not gay that Minx falls head over heels for him! An all American family suffering from their closely guarded "Family Secrets."
