Magic Mushroom Band Singles And Rarities

This CD brings together all the singles and rarities that have otherwise been released by The Magic Mushroom Band since their inception in 1982. Included on the CD are many cover versions that have appeared as B-sides or bonus tracks such as the Byrds Eight Miles High and a version of Pink Floyd's Set The Controls For The Heart Of The Sun. Other tracks of note are those tracks that initially appeared on the limited cassette only releases at the start of the bands career. In keeping with the rest of the Magic Mushroom Bands back catalogue this album has been re-mastered for release.
