

Professor Louie & The Crowmatix - Whispering Pines

Brand new collection featuring live and studio recordings from the keepers of the flame.

DESCRIPTION

The prolific band Professor Louie & the Crowmatix have another fine release - and this one is a combination of studio and live recordings! Whispering Pines features 10 songs from their extensive repertoire including the youtube favorite and title track, "Whispering Pines." The artwork is very special on the Whispering Pines CD. Woodstock Records developed a Community/Work program with the Ulster College NY Design Department and together they created this beautiful CD package. From the inspiration of "The Weight" to the gorgeous "Whispering Pines" (penned by Richard Manuel and Robbie Robertson) to The Prague Radio Symphony & Kuhn Choir guesting on one song, this release continues the long, strange trip of Professor Louie and crew.
