

Living Colour - The Paris Concert

Spectacular performance at the New Morning in 2007. Recorded in High Definition.

DESCRIPTION

For their millions of fans around the world, Living Colour needs no introductions: Vernon Reid, Will Calhoun, Doug Wimbish & Corey Glover are among the leading New York musicians who helped break down the doors leading to a renewed musical landscape in the 80s. They're one the very few groups - if not the first & only - that can be coined as authentic sons of Jimi Hendrix. This is obvious in the intense concert these masters of groove gave at the New Morning in 2007. A treat for all connoisseurs who are aware of the fact that Living Colour's groundbreaking music is the most impressive when it is performed in the intimate heat of a club!
