Society 1

Creation Of Sound And Fearing The Exit

Instilling mortal fear in conservatives, unbearable lust in schoolgirls, and blind loyalty in fans across the nation, Society 1 is a band of extreme people doing extreme things. This DVD **contains the entire record-breaking "Suspension Show"**, filmed live at The Key Club in LA (March 2004). It also **includes a Society 1 live set filmed on tour in Tampa**, and "One Way To Hell" - **an exclusive Society 1 documentary unavailable anywhere else**. In addition, **all three Society 1 videos are included**: "Nothing", "All You Want", and "Hate", plus, behind the scenes footage at "Sin's Ultimate Photoshoot" and on the set of the "Nothing" video.

Bonus program on the reverse side of the disc **includes additional interviews and performance footage, + more!** **Jump on board the Society 1 hellbound caravan or fester and perish in your self-imposed cage of mediocrity!**
