

The Wake Blacklist

Incredible 2 disc set (CD+DVD) from one of the most influential Gothic Rock bands of the '90s. Includes unreleased tracks!

This 2 disc set (CD+DVD) comes from one of the most influential Gothic Rock bands of the 90s - THE WAKE. It features 10 Classic Hits, 2 Rare Tracks, 1 Unreleased Track, 6 Tracks of Unreleased Live Video Footage, 2 Studio Produced Videos (1 Rare from 1989) and lyrics! THE WAKE is a band that has been snaking in and out of the shadows for over two decades. In addition to THE WAKE's three well received releases: "Masked" 1993, "Christine EP" 1995, "Nine Ways" 1996, the band has also been featured on thirty plus compilations world-wide. Touring extensively in the US and playing successful dates in Europe and Mexico, the band has amassed an impressive and diverse list of opening dates with bands such as: **NIN, Skinny Puppy, Christian Death, Innocence Mission, Alien Sex Fiend, And Also the Trees, Shadow Project** and more. After more than 10 years of waiting, this is a must have for fans of THE WAKE. It may well also be a hint of things to come as rumors abound of a WAKE reunion complete with brand new material.
