The Byrds Under Review

The Byrds Under Review is a documentary film which explores the music, career and background of one of America's most influential bands. With the aid of many who were there at the time, as either part of the group or close at hand, this 2 DVD set is a celebration of one of Rock N' Roll's truly great bands. It includes rare and classic performances re-assessed by a panel of experts, live and studio recordings of Byrds classics, footage and interviews from then and now, and exclusive and extensive contributions from Byrds members John York and Gene Parsons, further enlightenment from various collaborators, plus more!
