**I Am Virgin**  
« on: March 05 2010, 11:40:42 AM »

No, this is not about me confessing a shameful secret (I prefer to keep that embarrassing bit of trivia under wraps, thank you very much) - **I Am Virgin** is a new and somewhat different take on the classic Richard Matheson story that looks like it will be a lot more entertaining than Will Smith's big budget outing.

The set-up: much of the world's population has been wiped out by a deadly virus, and the survivors have become a bunch of nympho vampires! All except Billy, the last human male on earth, who is saving himself for that special someone. But in a world filled with six billion sex-crazed vampires, how long can one man hold on to his virginity?

Haha..this looks a cack. Is that The Ron in the corner of the cover there? Even if the movie's s\*\*thouse, it'll be worth it for his input.

Looking at that trailer Toad does harbour a suspicion it could be a one gag effort that risks outstaying its welcome.

No tears, please. It's a waste of good suffering...
