## Skincoming DVDs for November 17, 2009

### Mr. Skin's DVD Pick of the Week

#### *The Limits of Control* (2009)

STUDIO: Universal

NUDE: [Paz de la Huerta](#) (FFN, butt)

Helmed by cult director Jim Jarmusch, the crime drama *The Limits of Control* (2009) stars Isaach De Bankolé as a nameless loner. In the midst of carrying out some mysterious criminal enterprise, he wanders around Spain ordering up espressos in cafes where he meets equally mysterious and nameless contacts. The only thing that doesn't stay hidden is the body of [Paz de la Huerta](#), whose character's name is simply Nude. And thankfully Paz gets into character and stays that way, walking around

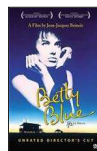

naked and showing off her boobs, butt, and bush throughout the movie. If you see this in a theater, you'll be exploring the limits of self-control.

#### *Betty Blue—The Director's Cut* (1986)

STUDIO: Cinema Libre

NUDE: [Clémentine Célarié](#) (breasts), [Béatrice Dalle](#) (FFN, butt)

A French repairman gets a monkey wrench thrown into his mild-mannered existence when he falls for wild child Betty ([Béatrice Dalle](#)) in *Betty Blue* (1986). First charming and disarming, Betty's energy and insane exploits send both of their lives spinning out of control. What will happen when this handyman realizes that no amount of tinkering can fix poor Betty's blue moods?

#### *Evolution* (2008)

STUDIO: BRINKDVD

NUDE: [Katie Cazorla](#) (breasts)

An army captain comes back from Iraq with a weaponized strain of bacteria capable of turning men into zombies in the low-budget sci-fi horror flick *Evolution* (2008). When the zombie plague infects an apartment building, all hell breaks loose as the zombies start running rampant. Thankfully one of the zombies' unfortunate victims is a topless woman ([Katie Cazorla](#)). Skingoria galore-ia!

#### *Farscape—The Complete Series Megaset*

STUDIO: A&E

NUDE: [Virginia Hey](#) (butt)

You'll wanna plunder the gorgeous stars from Down Under in the Australia-produced sci-fi series *Farscape*. Captain Crichton of the International Aeronautics and Space Administration is on a routine mission when he's hurtled into a remote corner of the universe through a wormhole. But forget wormholes—you'll be more interested in the firm holes of the sexy alien babes he encounters while fleeing interplanetary conflict. *Stargate SG-1* star [Claudia Black](#) has spheroids that can barely be contained by her skimpy uniform, while [Virginia Hey](#) proves that women of color are uniquely beautiful when she exposes her azure alien butt.

#### *Fight Club: 10th Anniversary Edition* (1999)—Blu-Ray

STUDIO: Fox

NUDE: [Helena Bonham Carter](#) (body double—breasts, butt)

With a title like *Fight Club* (1999) you know what you're getting going in . . . sort of. The less said about the plot of this brain-twister of a mind-war of a head-screw the
