

to innovation. Without exploration you become just one of the crowd, you just disappear into the white noise that is the music industry today.

Sharon Shannon And Big Band Live At Dolans is innovative stuff, there is even a little bit of Irish Rap, hahaha now that is a genre that I have not come across before! Sharon is helped out by Roesy, Jon Kenny, The Brennan Sisters, Damien Dempsey, Declan O'Rourke, and about 10,000 other people!

This is a fun DVD, and one that I can recommend, if you want to try something fresh and exciting this is it. You can get your copy from [MVD](#).
