

**ARENA 'SMOKE AND MIRRORS DVD'  
(METAL MIND PRODUCTIONS POLAND/MUSIC VIDEO DISTRIBUTORS)**

ARENA has been active for a long time now and through the years they have established themselves as one of the best Neo-Progbands. Several DVDs have been released, but this new DVD 'Smoke and mirrors' is the ultimate DVD release, because it contains 175 minutes of footage the band shot recently. First of all there is a 20-song performance of the band as recorded in September 2005 at a theatre in Katowice/Poland. This performance celebrated the band's 10-years existence, so therefore it was a best-of setlist. Also included is a bonus video from the Reunion Concert filmed in October 2005 in Holland. And finally there is an interview with Clive Nolan and Mick Pointer as well as a bio, photo gallery etc. In total this 3-hours counting experience is a must-see for any prog/ARENA fan out there. All is pro-shot with high quality sound, so better get this DVD asap at: <http://www.mvdb2b.com>
