[Win a Copy of *Hated: GG Allin and the Murder Junkies*](#)

5 diggs

[digg it](#)

Mean Street claims this is the [movie](#) that makes Marilyn Manson look like Mister Rogers! In this sixty minute [documentary](#) you will have a chance to get to know [GG Allin](#) prior to his demise. In an unflinching fashion, you will witness all there was to see with no regard for whether the camera was on or off.

[GG Allin](#) was arrested over 50 times on charges that ranged from disorderly conduct to exposing himself to minors. He even was arrested for public defecation. *Hated* offers everything from his live act to the police activity and [the rock](#) n' roll lifestyle that will remain a complete legacy.

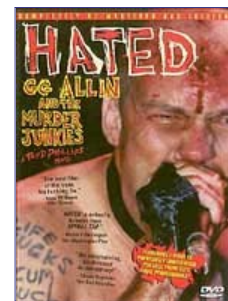

[Academy Award](#) nominated writer and director Todd Phillips is behind *Hated*. Though this was his very first film. You might recognize his name from such [blockbusters](#) as *Road Trip*, *Old School*, and *Starsky & Hutch*.

Phillips created the film for his senior project at NYU film school though it later became one of the highest grossing student [films](#) of that time. It also helped to make him a star. At the time, Phillips was also responsible for [booking](#) GG's Spoken Word [Performance](#). In this interesting performance, GG would strip down in front of the crowd and insert a banana into his ass. At that point he would taunt the audience with threats and vulgar language. Many would leave afraid of what would happen if they remained in the audience.

Bonus features for *Hated* include:

Exclusive Interviews with [Merle Allin](#) and Dino Sex
 New Commentary Tracks by Todd Phillips, Merle Allin, and Dino Sex
 3 [Music Videos](#)
 A Super Rare Interview with GG's Mom
 Art Gallery from the Cover Contest

This particular [DVD](#) also includes a GG Allin temporary tattoo and the option for a [John Wayne Gacy](#) portrait.
