GG ALLIN - H A T E D
 Deadline for answers: 2007-08-21

We have 3 copies of GG ALLIN - H A T E D - Special Edition DVD to give away...

Released on August 7, 2007 Through MVD Visual

In January 2007, MVD promoted a contest to design the cover for this Special Edition of HATED. We asked GG fans to create and submit their artwork using whatever medium they preferred. Entries were judged by MVD, Todd Phillips and Merle Allin. The winner was picked and their art was used to develop the final product appearance. Be advised, some of the following artwork is very graphic in nature.

On the morning of June 28, 1993, fourteen years after recording his first album, punk icon GG Allin was found in a Lower East Side, New York apartment, dead from a drug overdose following a final riot-inducing show. His sudden death surprised those who knew Allin, but the irony that he would die alone was lost on few-following his years of threatening to take his own life on stage in mid-performance.

This documentary, finished just before GG's demise, chronicles his life in unflinching fashion, never turning from the on-or-off stage havoc Allin created to challenge a nation of non-believers. Allin, who had been arrested over 50 times (on charges ranging from disorderly conduct to exposing himself to minors to public defecation) broke parole to appear in this film. Featured here is not only his live act that drew the curious and scared the knowing, but the injuries, police activity and rock 'n roll savagery that will be his legacy.

Director Todd Phillips is an Academy Award-nominated writer and a director

"Taking Music Further!"

famous for hit comedies such as Road Trip, Old School and Starsky & Hutch. HATED is his first film. A documentary originally intended as a senior film project at New York University (NYU), HATED went on to become the highest grossing student film at the time and helped catapult his career. Todd was also responsible for booking GG's "spoken word performance" at NYU where GG stripped in front of the crowd, inserted a banana in his ass and taunted the audience with threats and obscenities-- causing them all to flee, fearing for their own personal safety.

"Hated is disturbing, intriguing, and often darkly funny... Todd Phillips creates a genuinely intriguing portrait of Allin that's neither damning nor apologetic." - Matt Ashare, BOSTON PHOENIX
