

includes tunes from Dark Side of the Moon and guitarist Gilmour's so-so solo disc On an Island.

- [The Pink Floyd and Syd Barrett Story](#)

Before [Dark Side](#), [Pink Floyd](#) was a psychedelic band who blew minds and were led by the unstable Barrett. This informative doc chronicles the crazy diamond's descent into madness, with contributions from Floyd members and disciples Graham Coxon and Robyn Hitchcock. Extended interviews.

- [Marvin Gaye: Greatest Hits Live](#)

With the release of I Want You , Marvin Gaye completed his evolution from What's Going On's social conscience to the Malcolm X of the boudoir. He doesn't neglect the hits on this 1976 Euro date, with the band laying the funk thick on smashes like "Grapevine," "Inner City Blues" and a juicy "Let's Get It On."
