I am sure that most of us remember the murder of Nicole Brown Simpson. In this DVD we are shown the dark and tragic end of Nicole's life. It is a documentary that puts together an in-depth psychological analysis of what life was for her during her last 24 hours alive.

On June 12, 1994 Nicole Brown Simpson seemed to have everything. She was vibrant, funny and beautiful. She had lots of money, a great body and two great kids She was the ex-wife of the famous football hero, O.J. Simpson, living the Hollywood dream. Little did she know that this would be the last day of her life. Her perfect dream life has been shattered. She was brutally murdered along with her friend, Ron Goldman.

The case became a very high profile case. It became a big deal when O.J. himself was arrested and charged with the murder of his wife. At the time the trial was called by many as the trial of the century.

During the trial, a very famous quote was made by attorney, Johnnie Cochran. He said in court to the jury members in closing arguments about the famous glove, "If the glove fits, you must acquit!" O.J. was found not guilty in the criminal trial but later was found liable for the deaths in a civil suit brought on by Nicole and Ronald's families.

Thank you Jan,for this thread.I remember this well.2 young lives taken,with out cause.It would be nice to remember Nicole,as well as Ron.

An Reminds us about how our system failed,these 2 young people,an their families.I personally think OJ was allowed to walk,to avoid a racial uprising.I do believe it would have been riots at that time if he would have been found guilty.

Many i remember didnt look at it as a murder.They looked at it as a white/black issue.An thats a shame.As many Americans,on both sides of the fence knew in their hearts that OJ was guilty of cold blooded murder againt 2 people.

Thanks for letting us know where we can find the 24 hour before Nicoles death DVD,She was a beautiful woman whos life was taken way to soon.

Simpson wasn't so innocent on the Vegas charges. Karma.

I watched that trial from cradle to grave. It was fascinating.

Poor Ron and Nicole. They were good people by all accounts but were slain in a most gruesome fashion.
