Party With Iggy Pop From 1981

Wednesday August 15, 2007 @ 06:30 PM
By: [ChartAttack.com Staff](#)

Iggy Pop had a Party in 1981. There's no doubt that the rock icon had a good time back then, but Party is also the title of his album from that year. And the **Stooges** singer was living it up during the tour in support of that LP, as is documented on the forthcoming Live San Francisco 1981.

Iggy Pop

The album, set for a Sept. 18 release through MVD Audio, features a soundboard recording of Pop fronting a band that included **Blondie** drummer **Clem Burke** and longtime **David Bowie** collaborator **Carlos Alomar** on guitar.

The record also features two previously unreleased studio bonus tracks, "Fire Engine" and "Warrior Tribe," produced by **The Cars'** **Ric Ocasek** in 1983.

Here are the songs on Live San Francisco 1981:

- "Some Weird Sin"
- "Houston Is Hot Tonight"
- "TV Eye"
- "1969"
- "Rock And Roll Party"
- "Bang Bang"
- "Dum Dum Boys"
- "Eggs On Plate"
- "I'm A Conservative"
- "I Need More"
- "Lust For Life"
- "Pumpin' For Jill"
- "Fire Engine"
- "Warrior Tribe"
