The lo-fi murmurs of many of these "lost" recordings by Jamaican singer Kiddus I, recorded circa 1980, only enhance their appeal. Aside from a couple of earnest efforts to ride the fading disco wave, the tracks on this two-disc set are roots reggae with touches of dub and obvious debts to earlier American R&B. The best songs are almost mesmeric in their insistence, featuring an all-star cast of sidemen including Robbie Shakespeare and Leroy "Horsemouth" Wallace.
