

COLOSSEUM 'THE COMPLETE REUNION CONCERT COLOGNE 1994 DVD'

(ANGEL AIR RECORDS/MUSIC VIDEO DISTRIBUTORS)

COLOSSEUM is yet another legendary UK band from the 1970s of whom now a reunion DVD is available. The reunion took place in 1994 in Germany, so 10 years went by before it was captured on DVD, but in 2004 the DVD was released of his historic event. I have to say that I don't think COLOSSEUM was one of the better bands in the British Rockscene from the 1970s, but still I guess the true fans of the band will be happy with this DVD release, because it contains the full concert from 1994 and a 90 minutes counting documentary on the band. The total playing time of the DVD is more than 3 hours, so you definitely get value for your money. DVD is available through: <http://www.musicvideodistributors.com>
