MVD ANNOUNCES INCREDIBLE, FIRST TIME EVER DVD RELEASE!!!

TONY PALMER'S CLASSIC SERIES
THE STORY OF POPULAR MUSIC

In the mid-70s, at the suggestion of **John Lennon**, the celebrated journalist and film director Tony Palmer decided to document the "Story of Popular Music" and set about interviewing and filming all the major players in the industry at that time, past and present.

The critically acclaimed *All You Need Is Love* was broadcast across the world between 1976 and 1981. But since that time, it has never been repeated!!!

Now available for the first time, *All you Need Is Love* makes its DVD debut as a lavish boxed set which contains all 17 episodes of the series on 5 discs. Contained within those discs is the entire history of Popular Music...

From Ragtime, Blues, Jazz, Vaudeville, Musical, Folk, Swing, Country and Western, Rock 'n' Roll and beyond, the box set monolith includes interviews with some of the major names of the past 50+ years including **John Lennon - Paul McCartney - Elvis Presley - Jerry Lee Lewis - Jimi Hendrix - Stephen Sondheim - Benny Goodman - Bing Crosby - Mike Oldfield - The Beach Boys - Tina Turner - Sam Phillips - Dave Brubeck - Dizzy Gillespie - Richard Rodgers - Roy Rogers - Bo Diddley - Muddy Waters - Phil Spector - Bill Monroe - Bill Graham - Bill Wyman - Frank Zappa - Eric Clapton** and many many more. It has frequently been described as the "definitive music documentary", and is regarded just as highly today as 'cult viewing' as it was over 30 years ago when it was first broadcast.

Set to hit stores on May 13th, you can learn more about it, pre-order, and check out MVD's entire catalog of goods by clicking [HERE](#).
